

Signature

Yoshiako Sugano's first commercially available cartridge the one that cemented his reputation as a master and made Koetsu synonymous with high-performance record replay was the Rosewood Standard.

The Signature is the direct descendent of that classic cartridge. Its rosewood body makes for a lighter making it more compatible with modern tonearms, a remarkable tracker that reduces surface noise, and produces a sound with richness and depth, great focus, smoothness and elegance

Specifications

Body: Rosewood
Type: Moving Coil
Coil Wiring: Copper
Magnet: Samarium Cobalt
Cantilever: Boron Cantilever
Output: 0.4 mV
Frequency Range: 20Hz to 100kHz
Channel Separation: 30db / 1kHz
Inner Impedance: 5 Ohm
Channel Balance: 0.5 db / 1kHz
Recommended Load Impedance: 75-500 Ohm
Recommended Tracking Force 1,8-2,0g
Weight: 9g
Compliance: 5×10^{-6} cm/dyne at 100Hz
Stylus design: special Sugano design
(no other manufacturer uses this design)
