<sup>1</sup>XD1 delivered with two armboards for 9" arms if nothing else requested. When ordering a XD1 with 12" arm, the additional cost for the 12" armboard is included in the price ( 9" armboard + 12" armboard delivered).

<sup>2</sup>The XD1 can only be sold without a CF1-Ti series arm to original owners of SAT Pickup Arms and to owners of pre-owned qualified/certified SAT arms.

<sup>3</sup>All arms delivered with 1,5m cable with either Japanese RCA or Neutrik XLR connectors.

<sup>5</sup>XD1 Record Player System is sold without vacuum suction unless specified.
